Project Information Form

1. **Email**
   alara.zeybek@ug.bilkent.edu.tr or alarazeybek@gmail.com
   uygar.aras@ug.bilkent.edu.tr or uygararas3@gmail.com
   adil.can@ug.bilkent.edu.tr or adilcan007@gmail.com
   emre.akgul@ug.bilkent.edu.tr or emreakgulcs@gmail.com
   gun.tastan@ug.bilkent.edu.tr or tastangun@gmail.com

2. **Name of the Project**

   Plutos Equities

3. **Description**

   Plutos aims to provide an advanced capital forecasting solution for the top companies on the Nasdaq. By analyzing historical data, market trends, and news articles, Plutos uses machine learning models to predict financial performance for the upcoming quarter, offering investors and financial analysts valuable insights. The project's unique approach combines data collection, feature engineering, and model ensembles to deliver a comprehensive quarterly financial preview.

4. **Supervisor & Innovation Expert**

   4.1. Supervisor

   Halil Altay Güvenir

   4.2. Innovation Expert

   Eren Biri

5. **The URL of the Project Web Page**

   plutosequities.xyz

6. **Names of the Students:**
   6.1. Uygar Aras, 22103277
   6.2. Alara Zeybek, 22102544
   6.3. Asım Adil Can, 22103729
   6.4. Gün Taştan, 22101850
   6.5. Emre Akgül, 22102310
